## We Are Thankful

Every Thanksgiving, we reflect on the things that we are thankful for and also enjoy spending some time with our family. We've written in prior newsletters about the necessity of documenting expenses, keeping receipts and mileage logs along with recording the details. We want to "document" just a few of the things for which we are thankful.

As you know, we help people get their life back from the IRS. It gives us a tremendous sense of satisfaction to know that we have helped someone, instead of them having no hope that they can rebuild their life. We believe in relationships based on trust. It is the highest form of professional flattery when you choose us to help with serious matters either for you personally or for someone you want to help and refer them to us. Thank you for your referrals!

This month and last month, we have had the opportunity to help sponsor through the Indiana CPA Society Vern Hoven's Federal Tax Update. We have been to South Bend, Evansville, Indianapolis, and Fort Wayne and had the opportunity to see many of our friends who work very hard to deliver excellent services to their clients. It has been great to see old friends as well as make some new friends, too. We look forward to working together to make you a Superhero to your clients and to serve as your trusted resource. Seven ways we typically help include: 1) IRS Audit Defense; 2) IRS Collection Cases, including Offer In Compromise, Installment Agreements, and Negotiating With The IRS; 3) Tax Court; 4) Private Letter Rulings; 5) Innocent Spouse Defense; 6) Employer Taxes and Responsible Party Defense; and 7) Working as a Ready Resource For Other Tax Advocacy.

Our family had some special celebrations this past year. Our father had his 92<sup>nd</sup> birthday, mother her 90<sup>th</sup> birthday, and they also celebrated their sixty-sixth wedding anniversary. We also had the ninth Eagle Scout in the family, every male in the past three generations. We are proud of the Eagle legacy that our father started, principles that have governed our lives.

We are also thankful that despite health challenges that some family members faced, that they have done amazingly well, and kept their humor and perspective despite their challenges. We are thankful for the medical care provided and concern for our loved ones.

President Lincoln in 1863 proclaimed a national day of "Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens." Lincoln at the beginning of his Proclamation of Thanksgiving stated:

The year that is drawing towards its close, has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature, that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful providence of Almighty God.

*We are truly thankful  
for all the blessings we have received.*

## Thoughtful Things

“America has developed a pie tradition unequivocally and unapologetically at the sweet end of the scale, and at no time is this better demonstrated than at Thanksgiving.”

Janet Clarkson

## THANKSGIVING TURKEY TIP

Bake your turkey 1 to 2 days in advance in an oven bag, cool it down and debone it. Place the deboned turkey in a foil lined pan put enough chicken broth to cover about halfway, cover tightly with foil and when you are ready on turkey day there is no fuss and it's easy to clean up. Just pop it in the oven about 250 to 300 hundred degrees and heat up. The first time I ever used a baking bag it turned out beautifully, the prettiest turkey I ever baked. It was a shame to take it all apart and no one was there to see how pretty it was.

## PECAN PIE

- 3 Eggs
- 1/4 cup brown sugar
- 1 cup dark corn syrup
- 1 tsp. vanilla—optional I also use about 1/4 tsp. maple flavoring and 1/8 tsp. butter flavor
- 1/2 tsp salt
- 1 9-inch deep dish unbaked pastry shell
- 1 to 1 1/2 cups broken pecans
- 2 Tsb. Butter

You can bake the pie shell about 10-minutes before you fill it to make the pie shell firm and the filling does not soak in. Also when you put the filling in, put a ring of foil on the edge of the pie crust to keep it from over browning.

Beat eggs slightly, then add sugar, syrup, vanilla, maple flavoring, butter flavoring and salt stir until well mixed. Pour into pastry shell. Sprinkle Pecans over the top. Dot butter. Bake 10 minutes at 450 degrees; reduce heat to 350 degrees for 20-minutes. Remove from oven immediately.
